Milestones

WSWC and TCEQ have completed the legal framework for TCEQ to pass grant funds

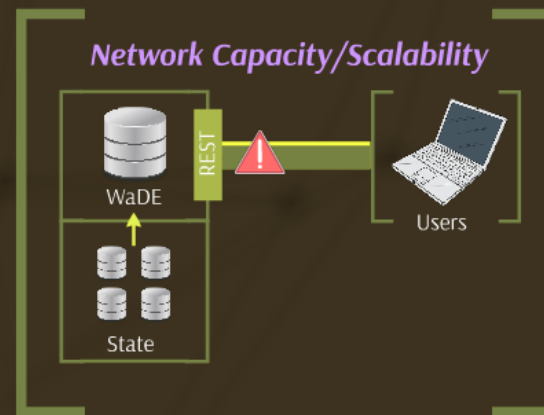

Utah and Wyoming are 'in the thick of it'

WaDE Cost Estimate Worksheets

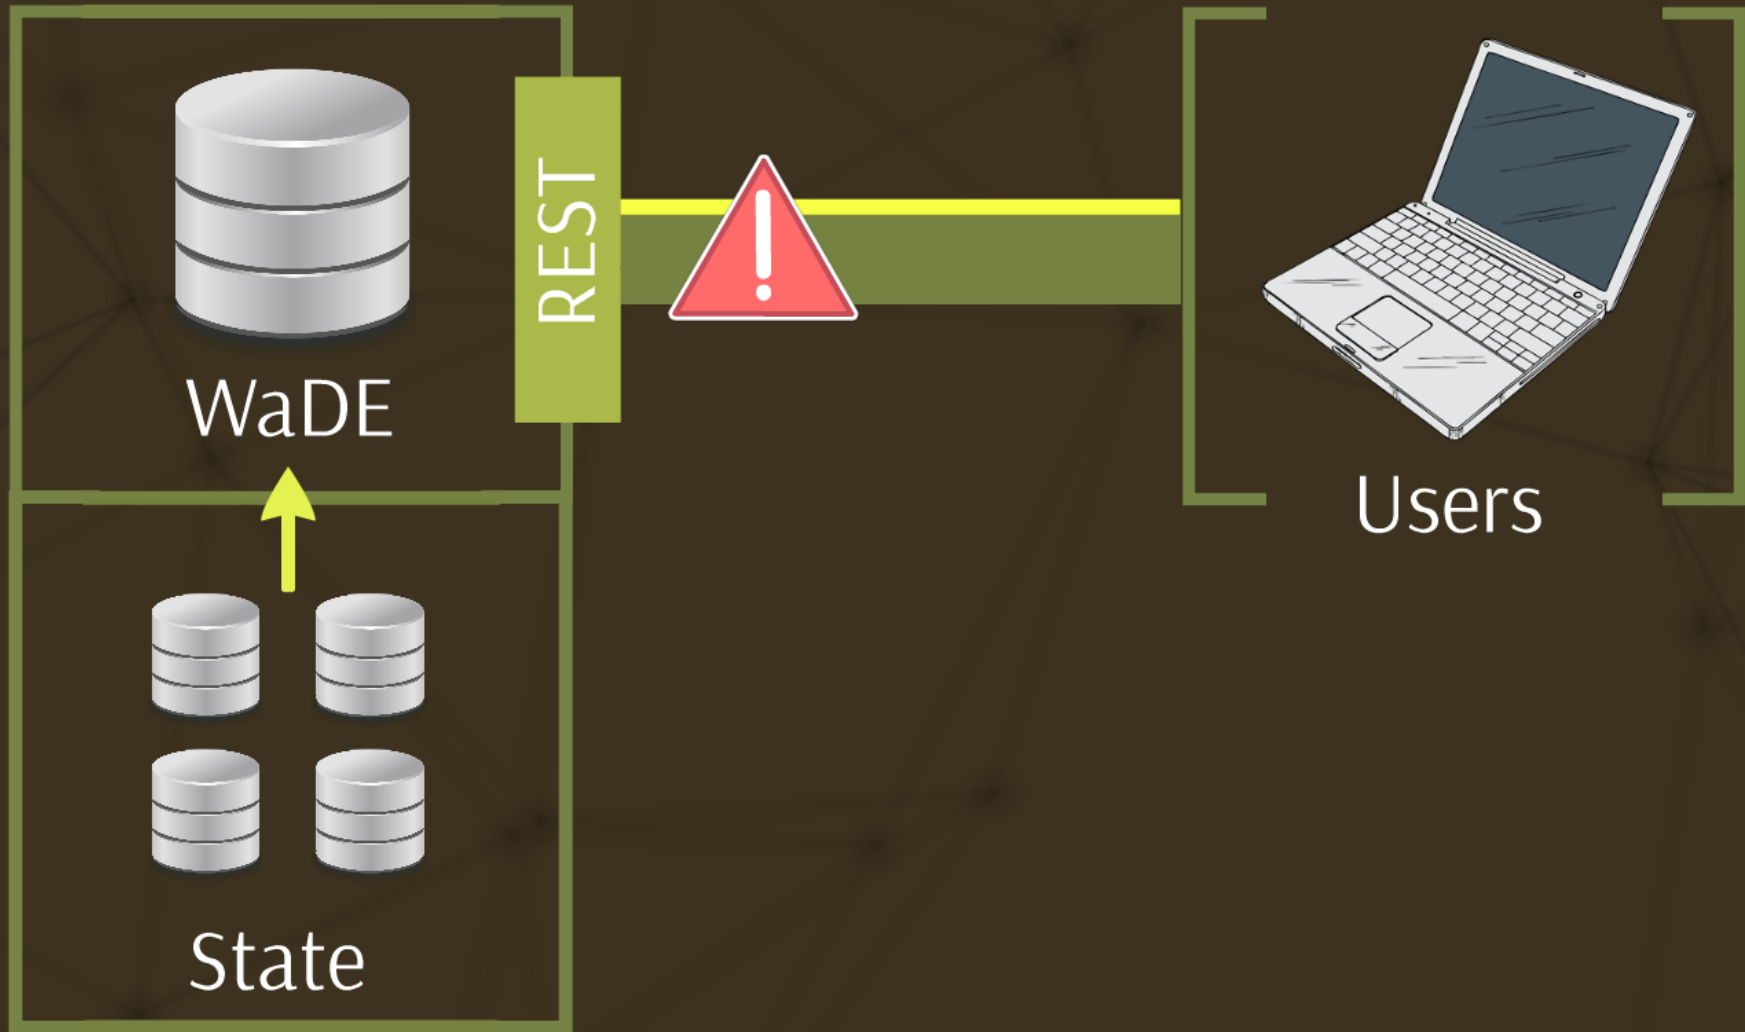

We're looking at two new options that might work better for some states

Concerns

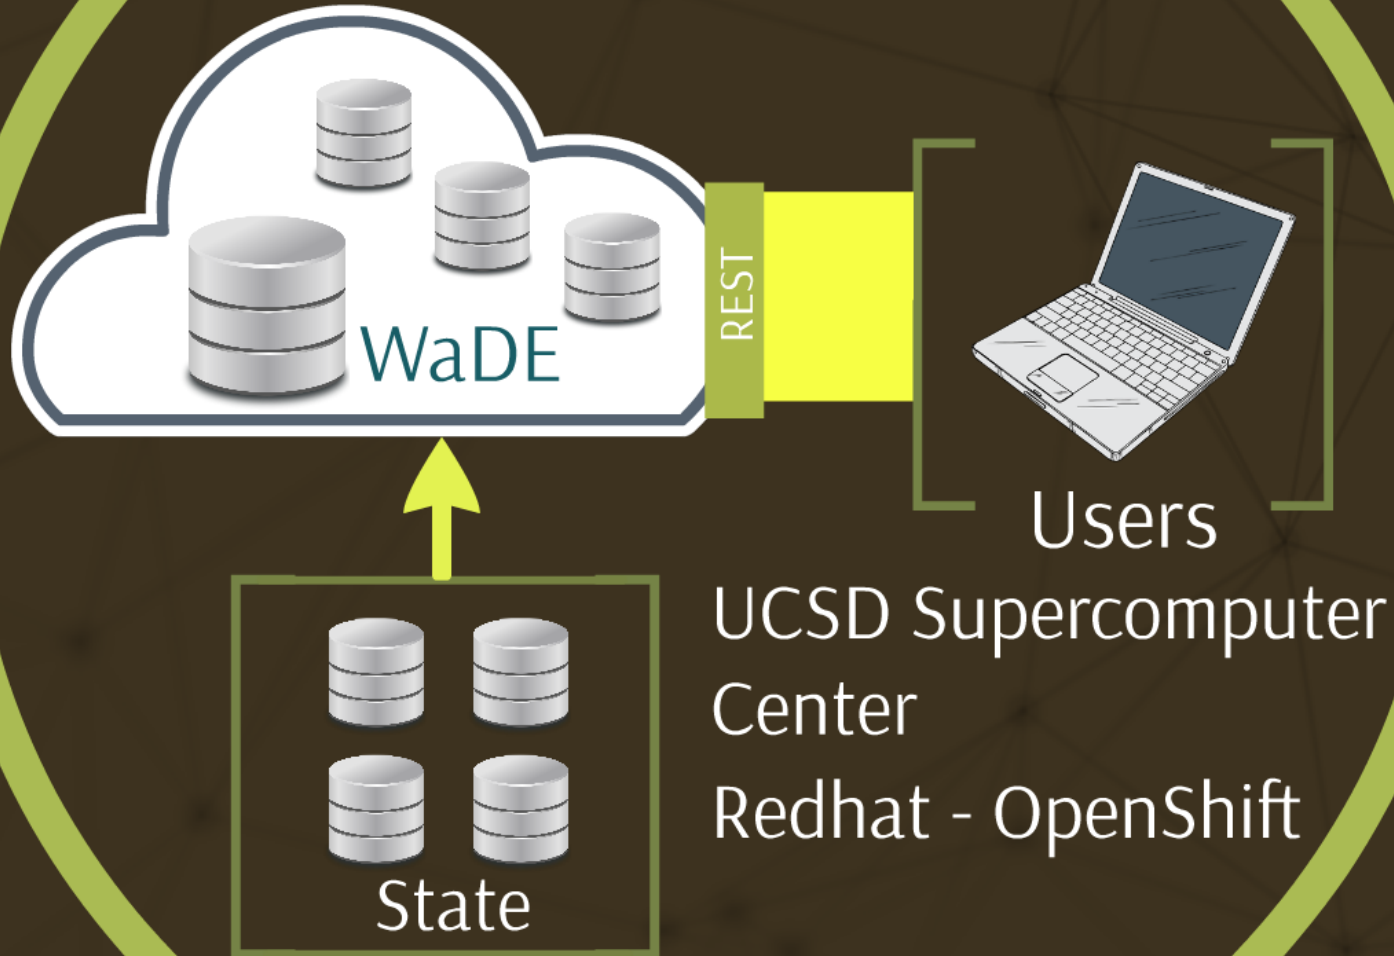

- 1) Ease of Deployment
- 2) Network Capacity/Scalability
- 3) Security
- 4) Long-term O&M

Network Capacity/Scalability

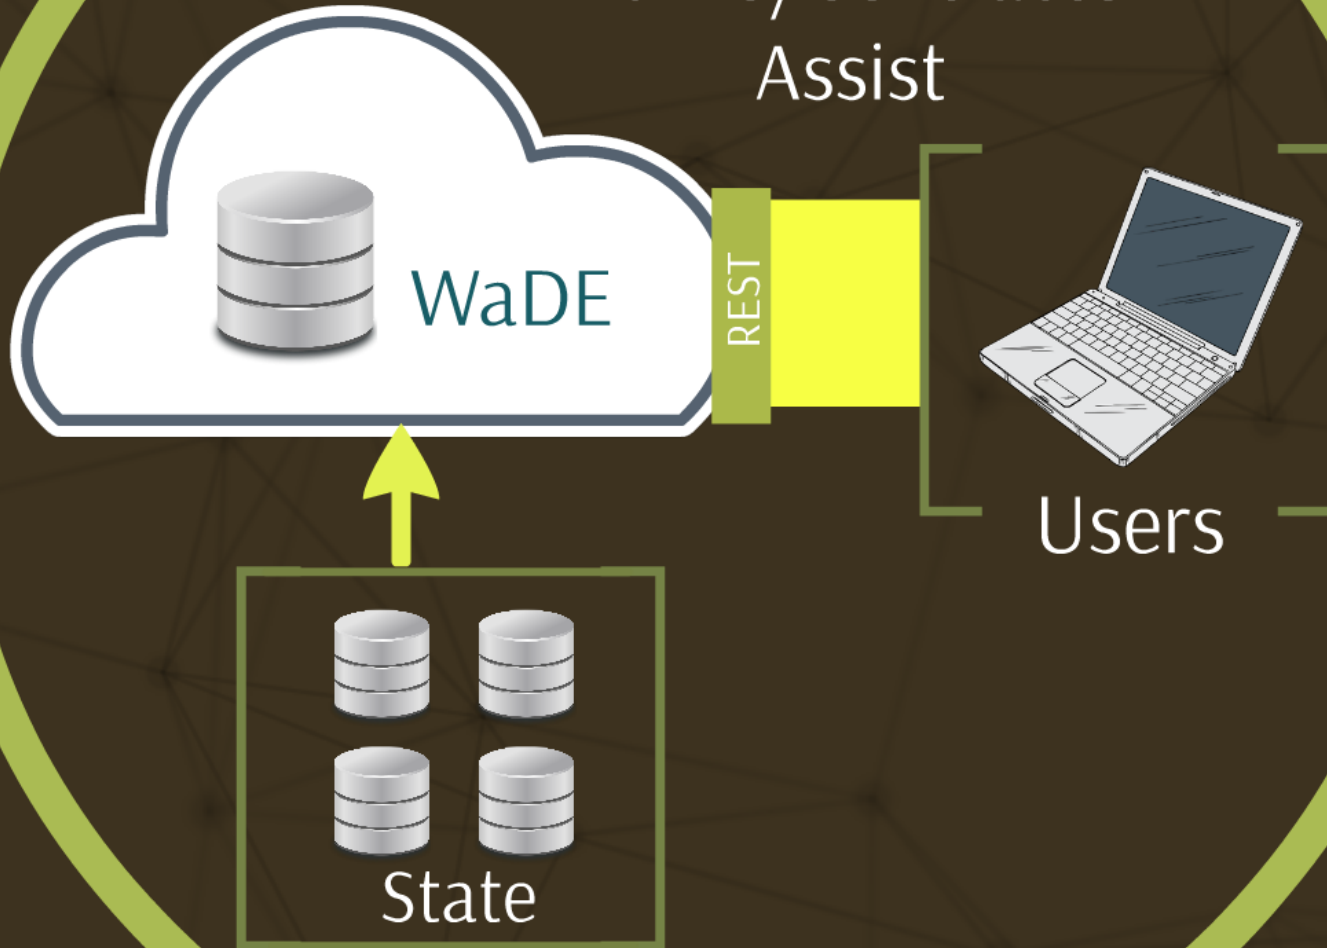

Option #1

Option #2
